Folks;

We support BLM Bakersfield Field Office's request for law enforcement funds. Sensitive wildlife habitats and cultural areas need protection from illegal off road vehicle use. OHV trespass in Kern County has unfortunately increased with the arrival of cooler weather.

Personnel from the Bakersfield Field Office have played a vital role in supporting USFS and Ridgecrest BLM Rangers in attempting to protect the Pacific Crest Trail from further OHV degradation.

Increased presence of Park Rangers is necessary to promote education, and we are appreciative of their diligence.

Sincerely,
ORV WATCH KERN COUNTY
