

Vernal Pool Walk

Saturday, April 26, at 10AM

Join us for the 3rd Annual Vernal Pool Walk. The hour long program will explore the fascinating world of Vernal Pools. Discover the mysteries of this boom and bust life cycle that have gone on for thousands of years. Possible plant species may include *Calochortus luteus*, *Castilleja lacera*, and *Lomatium caruifolium*.

Please meet at Mud Mart located near the main staging area at Prairie City SVRA at 10AM. From there we will caravan over to the vernal pool area. Pants and boots are recommended as we will be walking through tall grass. For more information call (916) 985-1098.
