

## The Grand Opening of the new Hungry Valley SVRA Pavilion and Group Camp will be on Saturday, November 22<sup>nd</sup>

Bring the whole family out to see and enjoy this fantastic new facility as well as interact with park staff, and engage in activities planned for all ages! We will be "Celebrating 150 Years & 150 miles" with a Tracks and Trails Day to honor the 150<sup>th</sup> Anniversary of California State Parks!

Hungry Valley has more than 40 trails that add up to over 150 miles and we will ask folks to sign up as individuals, families and teams to ride a trail and to bring back a photo of themselves with the trailhead sign. The sign-up will begin at 9:30 a.m. and the ride will start at 10:00 a.m. and end 150 minutes later (12:30 p.m.) with a tally of miles and a group photo. The individual photos as well as the group photo will go into a collage and be sent to the participants the following week with a commemorative certificate.

There will be kid's activities scheduled from 10:00 a.m. to 2:00 p.m. Kids will learn about native animal tracks and play the track matching game "Fast Tracks" where our young visitors can see how many matches they can make in 150 seconds (2 ½ minutes). There will also be a self-guided scavenger hunt for the whole family. We will have the BBQ going if you would like to bring your lunch and food to grill.

Please join us for a great day of enjoying Hungry Valley SVRA while celebrating California State Parks 150<sup>th</sup> Anniversary!
