Interpretive Schedule

Welcome to Ocotillo Wells State Vehicular Recreation Area!

Ocotillo Wells offers over 80,000 acres for riding, camping, wildlife watching, and an opportunity to enjoy spectacular desert scenery away from the city.

In addition, Ocotillo Wells is now offering visitors the opportunity to discover more about the desert at fun-filled events taking place throughout the weekend!

We invite you to join us at one of our many programs this weekend. They include live animal exhibits, roving geology exhibits at Pumpkin Patch and Gas Domes, Junior Ranger activities, as well as ATV tours.

We hope to see you there!

Like its name implies, the Burrowing Owl makes its home in abandoned burrows of other animals. When feeling threatened, this tiny owl will mimic a rattlesnake's rattle to ward off predators.
