Re: Prairie City OHV State Park burning

During the last week of May and possibly into the first week of June, as climactic conditions permit, the Amador – El Dorado-Sacramento Unit of ***CAL FIRE*** plans to conduct a prescribed burn of grasslands at Prairie City OHV State Park under its Vegetation Management Program. The project is located southwest of the city of Folsom along White Rock Road.

Persons who are sensitive to smoke are requested to contact ***CAL FIRE*** forester Patrick McDaniel at (530) 647-5288
