Public Workshop **Community Input Sought for** **Old Sacramento State Historic Park General Plan** *Wednesday, April 20 at 5:30 p.m.*

SACRAMENTO, Calif. -- Interested community members are invited to attend a public workshop for the presentation and discussion of the draft "Preferred Alternative" of the Old Sacramento State Historic Park General Plan on Wednesday, April 20, at 5:30 p.m. in the Stanford Gallery located at 111 I Street in Old Sacramento, next to the California State Railroad Museum.

The General Plan provides a template for future state park management, resource protection, and visitor usage of Old Sacramento State Historic Park, including the California State Railroad Museum and its excursion train operation. Continued public input is being sought for this strategic process, as the General Plan helps articulate a collaborative effort from both the state park planners, key stakeholders and the public.

This draft Preferred Alternative has been developed as the result of input from members of the public, business leaders and other government agencies, which have looked at preserving the natural and cultural features as well as current park activities and programs, and will serve for future program and facility development.

The public comment period is April 20 to May 6, 2011. Written comments may be submitted on comment cards available at the public workshop, USPS or via email at ossph@parks.ca.gov. A workshop agenda is available at www.parks.ca.gov/osshpgenplan. The draft Preferred Alternative will be posted online following the workshop.
